

Lessons Schedule for the 2009/10 School Year

When you come to lessons, make sure you have your instrument (reeds/valve oil/sticks), lesson book, band music, agenda, and any other materials I may give you throughout the year.... you can't have a good lessons without them.

Each week of the school year will be assigned a letter, either A, B, or C.

It is your job as a responsible Band student to check the schedule posted on the Bandroom door to make sure you know what letter week we are operating under.

Your lesson day will NOT change, but the period will. Make sure you know what period you are supposed to come down.

It is your responsibility to check with your teachers before you miss their class to make sure it is all right and to get any assignments you will miss. If you have a test, lab, or group project that cannot be made up, attend the class. It is then your responsibility to schedule a make-up lesson with me ASAP. (Same thing if you are absent from school.)

If you have a study hall that lines up with my schedule, please feel free to come down and practice, however, be sure to get a PRE-SIGNED pass from me first.

I hope this helps to clear things up. It's really pretty simple once you get the hang of it. If you have any questions, please feel free to contact me. I look forward to a great year of working on music with all of you!
